## Certificate of Edition Size Change

Effective November 1, 2010 the following changes will be made to the edition sizes of prints issued by Trace of Light / Michael Serkownek. Exceptions are listed below.

| Edition                   | New Edition Size | Former Edition Size |
|---------------------------|------------------|---------------------|
| <b>Signature Editions</b> | 40               | 300                 |
| <b>Gallery Editions</b>   | 5                | 25                  |
| <b>Premier Editions</b>   | 5                | 25                  |

**Note:** Existing prints and certifications will not be reprinted or issued with the new numbers. Please print this certification for your records and place with your certification. Prints and certifications issued 11/1/10 or later will have new edition number indicated.

**Exception:** Print # PA0030 Rippavilla Plantation panorama will remain as an edition size of 300.
